The former Southwest Elementary School building is slated to be the new home of the Rescue Me Project.

The quality of our ministry at The Rescue Me Project, begins and ends with our people - a team of professional volunteers that include educators, business professionals, and community leaders, who transparently share how they have navigated life challenges, and have achieved their level of personal success. This organization has served thousands of youth through School Assemblies, Leadership and Life Skills Programs, Community Partnerships, Group and One-on-One Mentoring, and more!

Our organization has been blessed to acquire the old Southwest Elementary School building for our ministry! This building includes 8 classrooms, a library, a kitchen, office space, and a large auditorium/event room.

This building, along with community partners like you, will be a catalyst in creating a safe place, a positive place, a place of accountability, and a place where our youth and community will see and experience a positive mindset. We believe that the hearts and minds of our youth, and adults likewise, will be encouraged in a way that will affect behavior and a sense of self-worth.

Your gifts are needed to help in the renovation of this facility. Once completed, we will be able to provide an environment that can benefit the youth throughout the entire Shoals Area, and ultimately build a stronger community. Your gifts will be delivering the right solution at just the right time.

Your Gifts Will Make A Huge Impact. Help Us Make A Difference, Today! At the RMP, our volunteer and financial partners are of high importance. We could not do what we do without your support. Here is how you can help us change lives:

**Naming Opportunities** (\*subject to RMP board approval) -The opportunity to have your name designated with the building or a space within the building, means that you will be mentioned every time the building or the space is mentioned or utilized. This will create a powerful impact for you or your business within the community. This naming opportunity is more than a plaque on a building. It shows a commitment to the community, and creates a profound legacy.

\* The Rescue Me Project will enter into a commitment to name the building or physical space within the building, only after considering the potential impact the naming will have the organization and the community. Due diligence will be exercised to ensure that the proposed name would be consistent with the RMP mission. The RMP will evaluate the distinction a proposed name would lend to the organization. Names will generally remain in place for a minimum of ten-years. At its sole discretion, the RMP may change or remove the name if circumstances related to the donor could damage the reputation of the organization. Other stipulations may be applicable.

Your Gifts Will Make A Huge Impact. Help Us Make A Difference, Today! At the RMP, our volunteer and financial partners are of high importance. We could not do what we do without your support. Here is how you can help us change lives:

**Sponsorships** – All sponsors will have their name(s) displayed in a place of honor for all to see. Sponsors names will be included on a plaque at a prominent place designated within the building or placed near one of the classrooms. Sponsors name and/or Logo will be included on the RMP Website, and/or Monthly Newsletter. We are also considering a wall mural (to be determined), which will include the names of our sponsors. Sponsors will be recognized at program events, assemblies, and programs.

**Gifts** – The RMP appreciates all gifts. Our new mega center has over 14,000 square feet. You may adopt a square foot for \$100 per square foot. You may also buy a brick/paver for our proposed walkway for \$50 each. All gift donors will have their name(s) listed prominently for all to see.

In-Kind gifts and services and donation of materials are also accepted. Your gift is a sacred trust. We promise to honor your generosity and use your donation in the most effective way possible. Monthly giving is another way to support this ministry. Visit our website at [www.therescuemeproject.com](http://www.therescuemeproject.com). All contributions are tax deductible.
